

Saturday June 10th 2017

This is the first schooling show we will be running in our "Summer Format" - in view of the obvious possible heat and potential afternoon downpours - we will be doing things a little differently.....we just don't think it's right to have horses stood on trailers for hours - or competitors out in the afternoon heat - so we hope this works for everybody!!!

****NEW**** Early Bird XC Run - Entry thru Training - from 7:30am until 9 (ish).
All clean rounds will receive a ribbon – \$50 / round

Combined Test - Entry thru Prelim (\$50) - ALL entrants can add a XC school around the flagged & numbered track, this way no-one will have to wait for a ride time, you can still go XC and if all you want to do is jump the ditch, have a splash in the water or school a particular question you don't have to cook your horse or yourself!!

Combined Test Competitors will ride USEA TEST B

2ft3 jumpers - thru 3ft7 - \$25

Pick a Test Long Arena - \$25

Pick a Test Short Arena - \$25

Entries will open 3 weeks before, close the Tuesday before
